

The image is a vertical scrollable page from a developer's portfolio. It features a dark header with the name 'Declan.Dev' and a navigation bar with links like 'About', 'Projects', 'Experience', and 'Contact'. Below the header is a large blue banner with the title 'Solving Problems with Technology & Logic'. The page is filled with numerous project cards, each containing a thumbnail, a title, a brief description, and a 'Live Demo' or 'Source Code' button. Projects include 'PonsLink' (WebRTC), 'PonsWarp' (File System API), 'ClickCap' (Offscreen Canvas), 'CodeWeaver' (Node.js AI Integration), and 'PrivacyPDF' (Image Redaction). Other cards show 'Engineering Highlights' and 'Professional Experience' sections. The overall design is clean and modern, using a light gray background with blue and white accents.
